

# Geography Long Term Plan

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	What is it like here?			What is the weather like in the UK?		What is it like to live in Pakistan?
Year 2	Would you prefer to live in a hot or cold place?		Why is our world wonderful?		What is it like to live by the coast?	
Year 3		Why do people live near volcanoes?	Who lives in Antarctica?			Where does our food come from?
Year 4	Why are rainforests important to us?		Are all settlements the same?		What are rivers and how are they used?	
Year 5	Why does the population change?		Why do our oceans matter?		Would you like to live in a desert?	
Year 6	Where does our energy come from?		What is life like in the Alps?			Can I carry out an independent fieldwork enquiry?
